

Agostini Closes in on its Acquisition of Massy Distribution Jamaica

Port of Spain, Trinidad– February 13 , 2026 – Agostini Limited today announced that Acado Jamaica Holdings Limited, a subsidiary of its Acado Limited joint venture (Agostini Ltd. (50%), based in Trinidad, and Goddard Enterprises Ltd. (50%), based in Barbados) has received a statement of non-objection from the Fair Trade Commission of Jamaica for the acquisition of Massy Distribution Jamaica Limited. This purchase, which is expected to be completed in the coming weeks, expands the Agostini Group’s presence in Jamaica by adding the consumer and pharmaceutical divisions of Massy Distribution including Windsor Laboratories to its portfolio. Aventa Jamaica, acquired by the Agostini Group in 2023 was the Group’s first operating entity in the Jamaican market.

Group CEO Barry Davis said, “Jamaica continues to be a key market for us and the closure of this transaction will be strategic to our long-term growth ambition. Our ability to work with the FTC to reach an agreement underscores our commitment to good governance, and compliance with regulatory requirements wherever we operate.”

About Acado

Acado is the leading group of Consumer Product companies with a strong presence across many regional markets in the Caribbean. More than a business, Acado embodies the vibrant spirit of Caribbean commerce and community, serving as both a staple and an experience. Our brands bring people and products together, creating moments of delight and satisfaction while adding value to the everyday lives of our customers. Formed as a joint venture between **Agostini Limited** and **Goddard Enterprises Limited**, Acado unites the expertise of two of the Caribbean’s most established companies to drive regional distribution, market expansion, and brand leadership.

About Agostini:

Agostini is a publicly traded company listed on the Trinidad and Tobago Stock Exchange (TTSE) which operates across three main sectors: Pharmaceutical and Healthcare, Consumer Products and Energy and Industrial. Its operations span 10 regional markets making it one of the largest distribution companies within the region.
